**Notes to Editors**

Secure Property Development and Investment plc is an AIM listed property development and investment company focused on the South East European markets. The Company's strategy is focused on generating healthy investment returns principally derived from: the operation of income generating commercial properties and capital appreciation through investment in high yield real estate assets. The Company is focused primarily on commercial and industrial property in populous locations with blue chip tenants on long term rental contracts. The Company's senior management consists of a team of executives that possess extensive experience in managing real estate companies both in the private and the publicly listed sector, in various European countries.
